PSI'S MUSGRAVE ELECTED TO HDMA HEAVY DUTY BUSINESS FORUM BOARD OF DIRECTORS

San Antonio, TX (February 21, 2008) During the November 2007 meeting of the Heavy Duty Manufacturers Association (HDMA) Heavy Duty Business Forum, Tim Musgrave, President and CEO of Pressure Systems International, was elected for a three-year term to the Forum's Board of Directors.

The Heavy Duty Business Forum was founded in 1977, HDBF is a member-only, senior-executive business-roundtable. Meeting twice annually, Forum meetings focus on the strategic aspect of industry issues, business trends, market conditions, and provide valuable networking opportunities for the top HDMA member executives in the industry. HDBF is self-governed and is limited to the top 50 business leaders in the commercial vehicle supplier industry. Prospective new members are nominated by an active Forum member, sponsored by two active members, and elected by the general membership.

Pressure Systems International (PSI) joined HDMA in 2001 and Musgrave has served on the organization's board of directors since 2004. PSI is the manufacturer of the Meritor Tire Inflation System (MTIS™), the most widely used automatic tire inflation system in the North American commercial vehicle industry.

The Heavy Duty Manufacturers Association (HDMA) was established in 1983 dedicated exclusively to heavy duty manufacturers. HDMA membership is made up of companies participating in the classes 4-8 medium and heavy truck OE and aftermarket parts manufacturing industry.

PSI is the world leader in automatic tire inflation systems and markets and sells its product worldwide through ArvinMeritor as the Meritor Tire Inflation System by PSI. For more information about Pressure Systems International visit their website www.psi-atis.com ArvinMeritor (www.arvinmeritor.com) is one of the industry leaders in supplying technologically advanced axle-braking and suspension systems solutions as original equipment for medium and heavy-duty trucks, trailers, buses, coaches and specialty vehicles worldwide.
