San Antonio, TX (February 28, 2008) Pressure Systems International (PSI), manufacturer of the Meritor Tire Inflation System, has chosen Victory Packaging as their Supplier of the Year for 2007. Criteria used to make this selection include on-time delivery, product quality, ability to react to demand changes, and willingness and ability to assist in improving PSI products. "In 2006/2007, Victory did a great job in helping us redesign our packing, particularly for the MTIS™ ThermAlert™ product where we need to protect the thermal press plug assembly" Steve Ottemann, Vice President of Operations said and he added "The improved packaging helped us contain our costs and at the same time, ensure undamaged product gets to our customers."
