P.S.I.'S COMMERCIAL FLEET TIRE DIGEST COMPLETE VOLUME 1 BOOK IS NOW AVAILABLE

San Antonio, TX (Jan 8, 2008) The Commercial Fleet Tire Digest is an authoritative guide to reducing tire expenditures. Each month Al Cohn, Director of New Market Development and Engineering Support for Pressure Systems International (P.S.I.) discusses a subject of particular interest to fleet operators and others concerned with tire safety, wear and cost as well as how to enhance fuel economy through tire technology and use. Cohn, a recognized commercial vehicle tire expert, draws on his extensive experience to address subjects including *Ambient Temperature and Its Effect on Tire Pressure*, *Are the New Wide Base Tires Right for Your Trailers*, and *Over Versus Under-inflation*. A complete list of subjects covered in Volume 1 can be viewed at <http://www.psitiredigest.com/archive>.

P.S.I. is now offering the complete Volume 1 of the Commercial Fleet Tire Digest covering November-December 2006 through November/December 2007 printed and spiral bound to fleet managers to use in their operations. This book is an excellent tool for technicians as well as drivers and anyone else responsible for controlling tire costs. To request your copy, please visit www.psitiredigest.com. Suggestions for Volume 2 (2008) topics can be sent to andrea@psitiredigest.com

Dave McNabb, Instructor at Career and Technology Education Center in Licking County, OH, a subscriber tells P.S.I. "I have shared every issue of the Commercial Fleet Tire Digest with my high school Diesel Mechanics students. These digests make great discussion topics and I believe they are an extremely valuable training tool for current and future truck technicians." Current and archive issues of the Commercial Fleet Tire Digest can be accessed at www.psitiredigest.com/archive or visitors to the site www.psitiredigest.com can complete a subscription form to have each issue delivered directly to them.

PSI is the world leader in automatic tire inflation systems and markets and sells its product worldwide through ArvinMeritor as the Meritor Tire Inflation System by PSI. For more information about Pressure Systems International visit their website www.psi-atis.com ArvinMeritor (www.arvinmeritor.com) is one of the industry leaders in supplying technologically advanced axle-braking and suspension systems solutions as original equipment for medium and heavy-duty trucks, trailers, buses, coaches and specialty vehicles worldwide.
